(Moving) Clowns out of a cannon

A circus is a special place where dreams become real. Everyone can enjoy a circus, young or old. Step right up for a world of surprises!

Clowns wearing big red noses, with a menagerie of animals : tigers, lions, giraffes, horses, elephants, and more. All are covered in sparkling, colorful clothing, and bring waves of laughter to crowds of circus-goers.

With the "Clowns out of a cannon", when you pull the lever on the right, a clown shoots out of the cannon. Too bad he missed the bull's eye...? This is a fun craft.

■ Parts list (pattern) : Thirteen A4 sheets (No. 1 to No. 13)

■ No. of Parts : 50

* Build the model by carefully reading the Assembly Instructions, in the parts sheet page order.
