(Moving) Clowns on funny unicycles

A circus is a special place where dreams become real. Everyone can enjoy a circus, young or old. Step right up for a world of surprises!

Clowns wearing big red noses, with a menagerie of animals : tigers, lions, giraffes, horses, elephants, and more. All are covered in sparkling, colorful clothing, and bring waves of laughter to crowds of circus-goers.

When the lever beneath the frame is turned, the unicycle wheels turn in unison and a pair of songbirds takes flight in time to the cheerful music of the clowns.

■ Parts list (pattern) : Fifteen A4 sheets (No. 1 to No. 15)

■ No. of Parts : 77

* Build the model by carefully reading the Assembly Instructions , in the parts sheet page order.
