(Moving) Clowns spinning dishes

A circus is a place where dreams come true, enjoyable by children and adults alike. Step right up to a world of surprises! Clowns wearing big red noses, alongside animals such as tigers, lions, giraffes, horses, and elephants, covered in sparkling, colorful clothing, bring waves of laughter to crowds of circusgoers.

This plate-juggling clown model changes appearance in a number of ways when you move the star-shaped lever beneath the model's frame to the left and right: the eyes on the giant clown face blink, open wide, and move in circles.

■ Parts list (pattern) : Fourteen A4 sheets (No. 1 to No. 14)

■ No. of Parts : 54

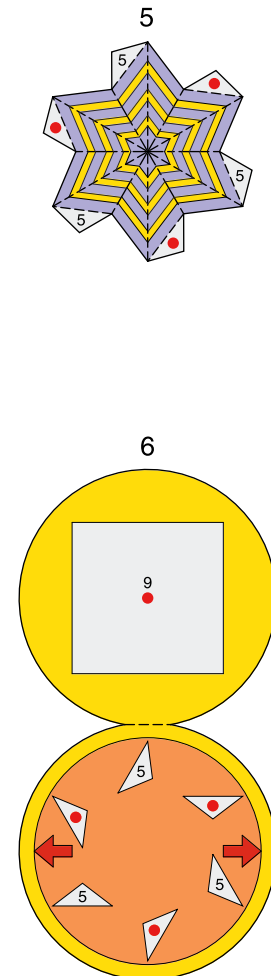

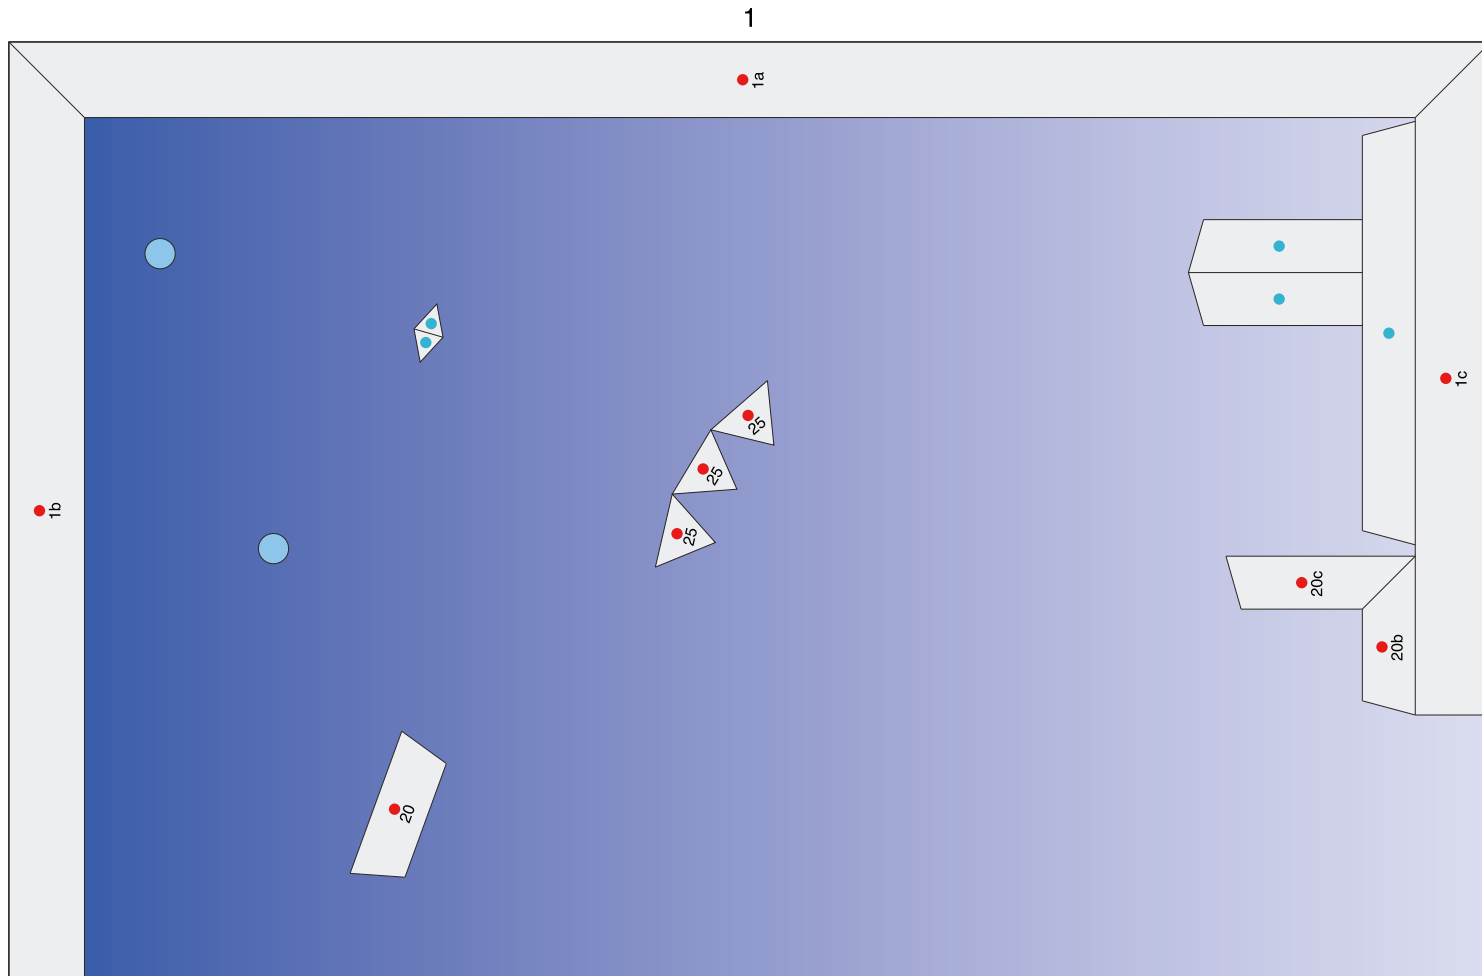

* Build the model by carefully reading the Assembly Instructions , in the parts sheet page order.
