

1

A 2 Cut a slit. Wind the string.

A 3 x2

A 4 x2

A 1 Thread through the hole.

Keep both strings at a length of about 20 cm each, after threading them through the hole. The string will be easier to thread if you dab a little adhesive on the end of the string and let it harden.

2

B 2 Cut a slit. Wind the string.

B 1 Thread through the hole.

Keep both strings at a length of about 15 cm each, after threading them through the hole.

B 3 Thread the string from part B1.

● **Pattern:** 6 sheets ● **Assembly Instructions:** 4 sheets ● **Number of parts:** 51

● **You will need:** Scissors, glue, strong adhesive, a ruler, a used ball-point pen
String (a fairly strong type of thread. The color is up to you, but we recommend gray, yellow, or orange.)

● **Assembly tip:** Trace along the folds with a ruler and a used pen (no ink) to get a sharper, easier fold.

- Mountain fold - - - - - Valley fold _____ Scissors line
- ▭ Glue spot ▭ Cut out ———— Cut in line
- Hole for threading string through (use an old pen or other object to make the hole.)

Caution: Glue, scissors and other tools may be dangerous to young children so be sure to keep them out of the reach of young children.

3

	 Thread the string from part A .	
	 Thread the string from part C1 .	
	 Thread the string from part C2 .	
	 Thread the string from part C3 .	
	 Thread the string from part C4 .	

4

	 Thread the string through part B3 and part C5 .	
--	---	--

5

	 Thread the string from part D .	
	 Thread the string from part E1 .	
	 Thread the string from part E2 .	
	 Thread the string from part E3 .	

6

F 1

F 2

F 3

G 1

G 2

H

E 4

Fit inside.

Thread the string from part **E4**.

7

I 1

I 2

I 3

Attach the edges together.

Fold back and forth over each other (do not glue.)

Continue until you get to the end of the strips.

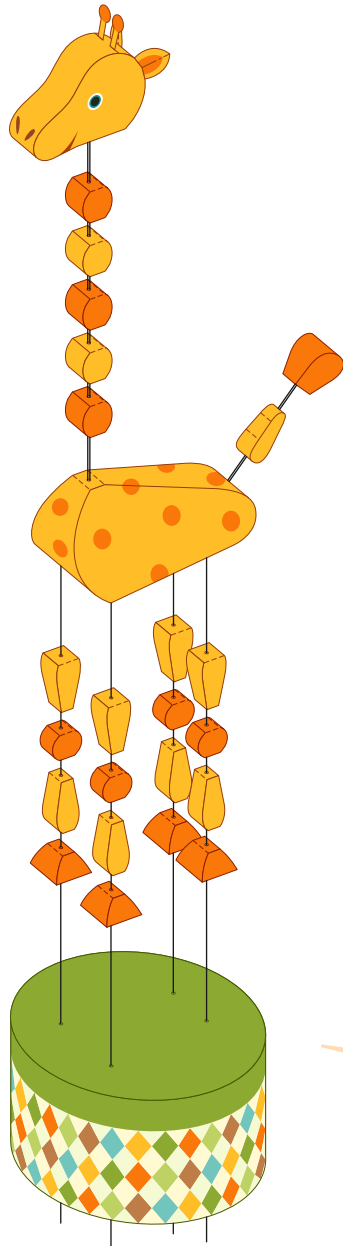

Cut off any excess.

8

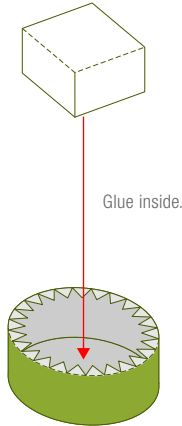

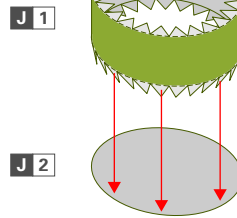

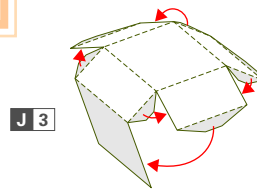

Hook the strings inside the slits on part **I1**.

View from underneath

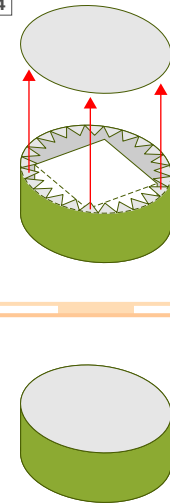

9

10

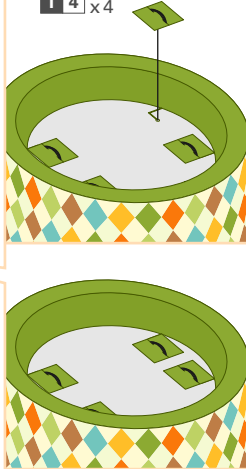

J 4

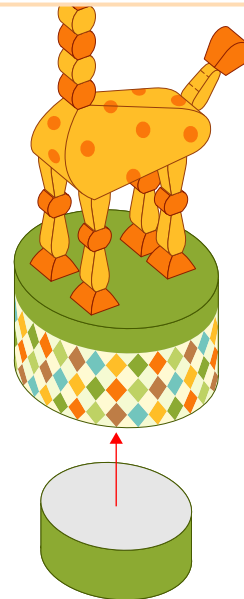

Wind each of the threaded strings around a stopper (part I 4) and glue them down. Adjust the amount of winding to ensure that the length of the strings are the same (so that the height of each one matches).

I 4 x 4
