### (Moving) Clown and sea lion acrobatics

A circus is a special place where dreams become real. Everyone can enjoy a circus, young or old. Step right up for a world of surprises!

Clowns wearing big red noses, with a menagerie of animals, including tigers, lions, giraffes, horses, elephants, all of which are covered in sparkling, colorful clothing, bring waves of laughter to crowds of circus-goers.

This papercraft model features two sea lions and a clown performing tricks. When you turn the handle at bottom right, the sea lions flip the ball resting on the clown's feet back and forth to each other, with the sea lions and the clown continually in coordinated motion.
