—— 切り取り 山折り 谷折り —— のりしろ

D

Diagram D shows a trapezoidal roof structure with red and white horizontal stripes. It includes a decorative crest featuring a tiger's head. The template includes dashed lines for cutting and solid lines for folding.

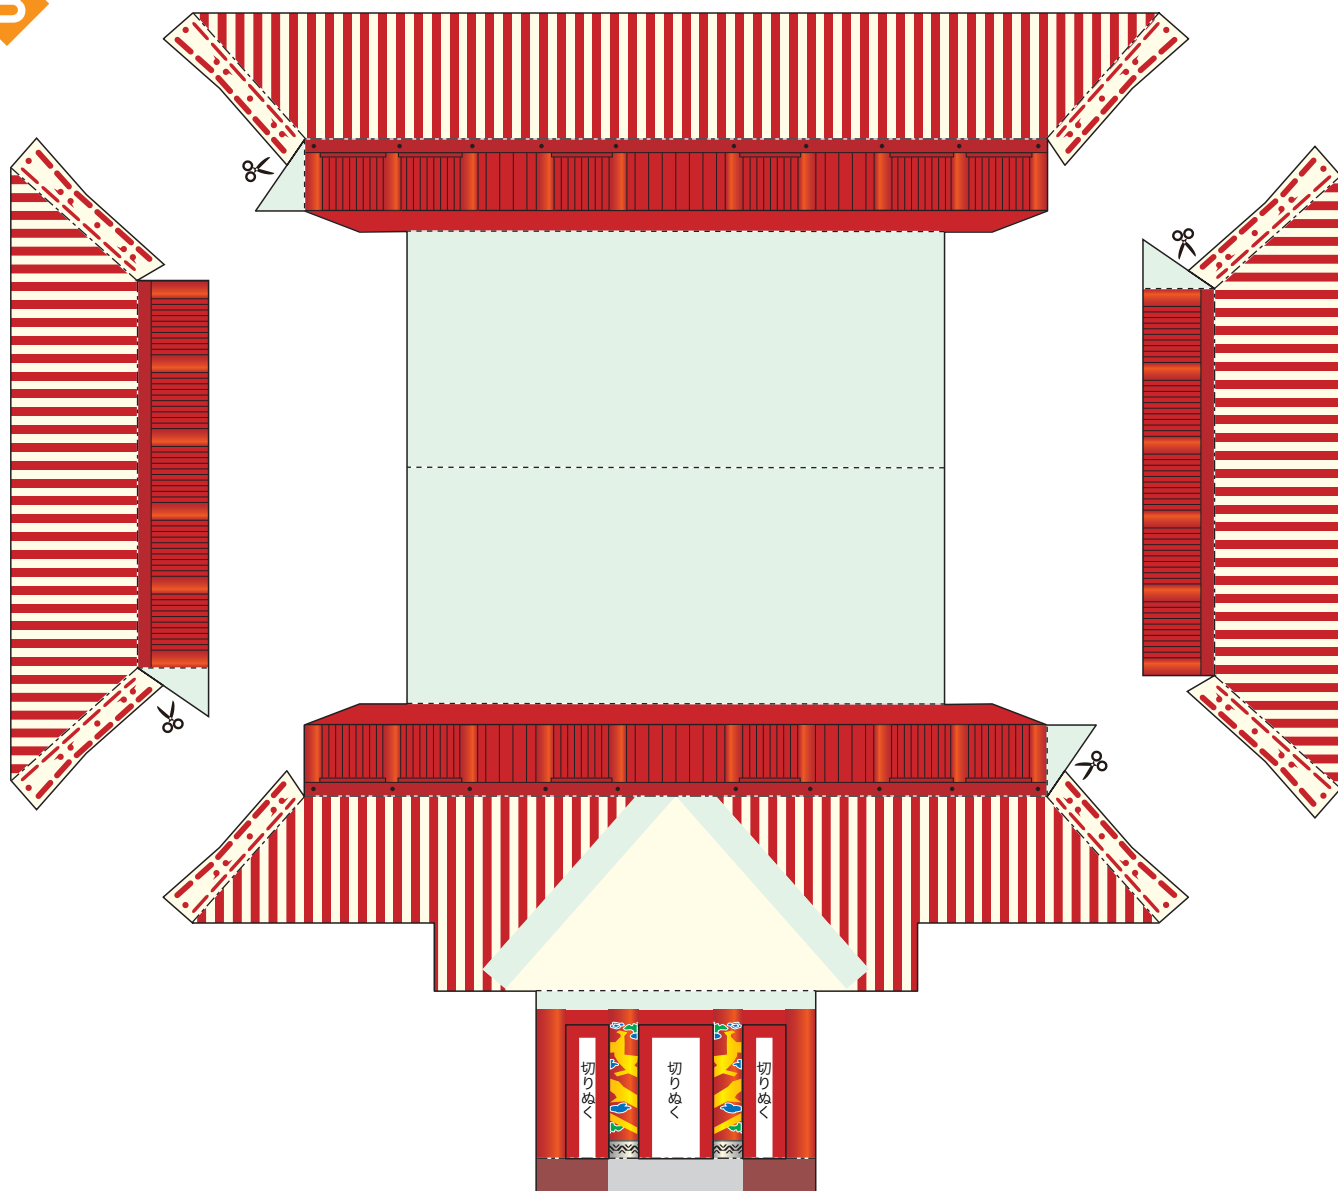

E

Diagram E shows four vertical panels with red and white stripes and decorative patterns. These panels are designed to be folded and attached to the main structure.

A

Diagram A shows the main body of the castle, a tall rectangular structure with multiple levels, windows, and a base. It includes a decorative crest at the top. The template includes dashed lines for cutting and solid lines for folding. There are three scissors icons indicating where to cut. Japanese text labels are present: "□うらにのりをつける" (Glue to the back) and "□うらにのりをつける" (Glue to the back).
