

1 Cut out the parts and crease them along the fold lines indicated.

2 Cut a slot into each side of the ribbon and assemble together.

3 Attach 2 to the glue tab area of the wreath.

**Assembly Instructions**

..... <b>Mountain fold</b> (dotted line) *Make a mountain fold.	——— <b>Scissors line</b> (solid line) *Cut along the line.
- · - · - <b>Valley fold</b> (dashed and dotted line) *Make a valley fold.	——— <b>Cut in line</b> (solid line) *Make a cut.
▲ <b>Black triangle</b> Glue here	△ <b>White triangle</b> Glue the back

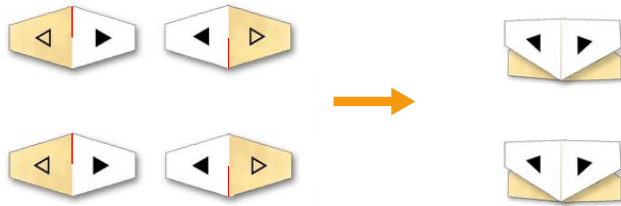

---

**You will need**   
scissors, paste, a used ballpoint pen (tracing along the fold lines makes them easier to fold)

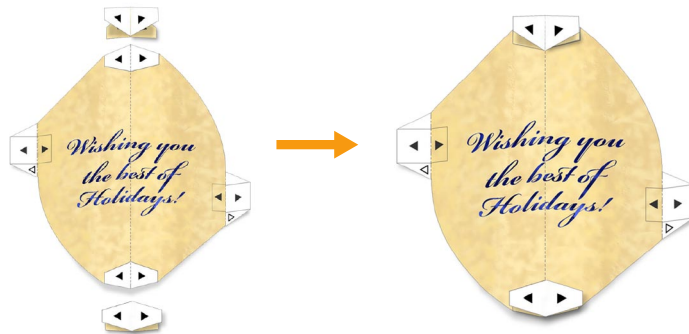

---

**Caution:**Glue, scissors, and other tools may be dangerous to young children so be sure to keep them out of the reach of young children.

**4** Cut the slots on the A glue tabs, and slot them together so that only the white area can be seen (2 sets).

**5** Attach 4 to the message plate.

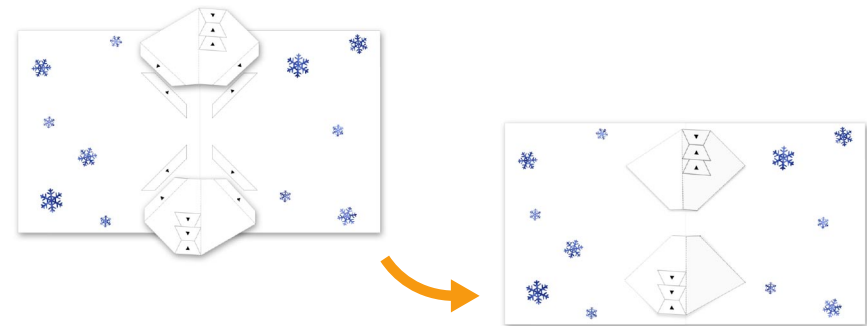

**6** Attach the glue tabs on the B glue tabs to make a stand (2 sets).

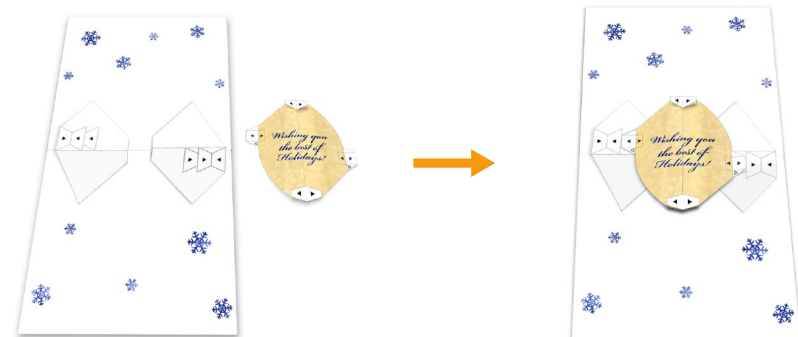

**7** Attach the base together at the glue tab.

**8** Attach the rotating stand to the base.

**9** Attach 5 to the inner most glue tab on the rotating stand (8).

**10** Attach 6 to 9's message plate. Then, attach the left and right holly leaves on top of it.

**11** Place 3 on top of 10. Attach the rotating stand's glue tabs to the A glue tab at the top, and secure 3.  
\*After attaching the rotating stand and 3 together and deciding the position, add some glue to the A glue tabs on the message plate. Attach the wreath by pressing it from the top.

**12** Add decorations to the wreath - it's up to you!

**13** Stick on a colored paper cover onto half of the rear side of the base paper. Be careful to stick it on in the right direction.

**14** 13 is the completed card when the cover is stuck on to the other half side.
